PURPOSE OF THE BILL

The purpose of H.R. 3008 is to provide for the conveyance of a small parcel of National Forest System land in Los Padres National Forest in California.

BACKGROUND AND NEED FOR LEGISLATION

H.R. 3008 gives the Secretary of Agriculture authority to exchange, or convey for not less than the appraised market value, approximately five acres within the Los Padres National Forest in California to the White Lotus Foundation. A short access road that loops into U.S. Forest Service land is the only road that allows White Lotus and the public access from San Marcos Pass Road. Due to steep topography, there is no reasonable alternative location for an access road and without this space the White Lotus Foundation will be forced to cease its operations.

COMMITTEE ACTION

H.R. 3008 was introduced on August 2, 2013, by Congresswoman Lois Capps (D-CA). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Public Lands and Environmental Regulation. On November 14, 2013, the Natural Resources Committee met to consider the bill. The Subcommittee on Public Lands and Environmental Regulation was discharged by unanimous consent. Congressman Rob Bishop (R-UT) offered an amendment in the nature of a substitute to the bill; the amendment was adopted by voice vote. The bill, as amended, was then adopted and ordered favorably reported to the House of Representatives by voice vote.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 3008—A bill to provide for the conveyance of a small parcel of National Forest System land in Los Padres National Forest in California, and for other purposes

CBO estimates that enacting H.R. 3008 would have a negligible impact on the budget. The bill would authorize the exchange of 5 acres of land in the Los Padres National Forest for unspecified lands owned by the White Lotus Foundation. If the land exchange does not occur within two years, the Forest Service would offer to sell the land to the foundation, and the proceeds would be deposited in the Treasury.

If the Forest Service sold the affected land to the foundation, enacting H.R. 3008 would increase offsetting receipts, which are treated as reductions in direct spending; therefore, pay-as-you-go procedures apply. Based on information regarding the value of lands near the affected federal land, CBO estimates that enacting the legislation could increase offsetting receipts by less than \$300,000 after 2015. Enacting the legislation would not affect revenues.

H.R. 3008 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. CBO estimates that enacting H.R. 3008 would have a negligible impact on the budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to provide for the conveyance of a small parcel of Na-

tional Forest System land in Los Padres National Forest in California.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
